IMMACULATE PRESENTATION

TRACK RECORD OF SUCCESS

For our niche markets of medical, office and strata cleaning we have a proven track record for exacting interior cleaning and immaculate building presentation.

SERIOUS ABOUT SECURITY

Against a backdrop of increasing crime, we have established systems and procedures to ensure your facilities remain secure. Our reliable staff ensure that your buildings are protected according to your instructions. Staff have photo ID cards.

STAFF SAFETY

Our Work, Health and Safety Training ensures a low incidence of work related injuries and continuity in cleaning personnel. These measures ensure that you receive consistency in cleaning services.

HIGH QUALITY PEOPLE & PRODUCTS

Often the cleaning quality hinges on the quality of people and products. We authorise staff to use environmentally friendly products that are safe for staff and clients.

EXTERIOR APPEARANCE

We protect the value of your buildings by using proven cleaning techniques, the most appropriate equipment and products.

TAILORED TO YOUR NEEDS

We adapt our cleaning services to the nature of your facilities and the needs of your customers. Flawless building presentation and thorough cleaning are the standards for which we strive.

RESPONSIVE SERVICE

We are on call to respond to your inquiries and act on your feedback 7 days. We guarantee a 24 hour response to any customer issue.

SYSTEMATIC CLEANING

Integral to our services is detailed attention to surface cleaning, hard floor maintenance & resurfacing and window cleaning. Our carpark sweepers ensure removal of rubbish and litter, in-depth grime and dirt.
